The Election

In what can only be viewed as a resounding repudiation of the Bush administration and its failed economic and social policies, the American voters have swept the Republicans out of Washington by the widest electoral margin in my lifetime. Yayyy!!!

Off to Asia (again)

I'm leaving Sweden this afternoon, heading for Thailand for a few days and then the Philippines. Now that the voters have taken out the trash (and with the help of some Ambien prescribed by a friendly doctor here in Sweden) I will sleep well on the plane. Next stop - Chiang Mai...
