

Enter the... Blood Mirror!

October 27, 2015 By [Shawn Decker](#)

It's Halloween season- and that means that a lot of fake blood is being used for cheap scares. But what shouldn't be scary? Blood donations from the gay community.

✘ And that's exactly why the art exhibit, Blood Mirror, was created. Using nine blood donations from gay, bisexual and transgender men, the interactive art display is a visually stunning protest of the FDA's ban on blood donations from non-celibate gay and bisexual men.

Presented by the Visual Arts Committee at Trinity Wall Street, the Blood Mirror will be on display at the Trinity Church (75 Broadway, New York, NY 10006) from November 2 through December 1 (World AIDS Day).

Positively Yours,
Shawn
