

# Great Condom Commercial

September 27, 2008 By [Peter Staley](#)

---

I don't live on YouTube like some, so I only saw this commercial for the first time today after one of our members in the AIDSmeds Forums posted it. It's been on YouTube for over two years now, and has been watched over 11 million times.

Humor has always been an effective advertising tool, so let's hope this sells more condoms...
