

Gwenn... Back.... Book!

May 15, 2009 By [Shawn Decker](#)

So the last image of Gwenn on the blog was a bit disconcerting. Here she is yesterday, when we both ventured out for coffee (she had tea) with one of our buddies, Evelyn. Who apparently saw God.

Am off to speak to another English class today, then taking in some Decker's Daily Coffee and book writing. I turn in the second book- which I swore to never blog about again- on Monday. It's a vampire tale, and it has sucked the life from me! No, it's actually been a joy to write. A long joy, but worth it because I am very happy with the results of all of the hard work.

Okay, no more about it until I get some sort of official word. Just cross your fingers that it is 1) good and 2) well-received and considered publish-worthy.

Positively Yours, Shawn
