Gwenn’s Fashion Blog, A Latte Style

June 1, 2010 By Shawn Decker

One thing I haven’t mentioned in a while is that the whole Decker’s Daily coffee blog idea was all Gwenn- she thought it would be fun to capture all of the coffee outings I enjoy. Actually, a lot of great ideas come from the mind and heart of Gwenn, I get to be the mouthpiece for them most of the time.

That is exactly why, when she started hinting at making *her own* blog, I felt compelled to nudge her forward the same way she did for me with the Decker’s Daily thing... So, without further ado, here is my lovely partner’s first foray into the world of blogging...

A Latte Style!
It’s a fashion/coffee blog, and Gwenn’s already gotten a great review from the Anthroholic fashion blog:

"When Gwenn sent me this next picture, my jaw dropped. It is STUNNING. I mean it’s like a work of art. This is the type of photo I’d blow up and hang up in my dressing room. Her friend captured it of her and her husband, and she thought it really showcased the Two Paths Trench in action. I just love it. Be sure to check out Gwenn’s new blog, A Latte Style, because she’s darling and wears a lot of Anthro!"

Ah, nice words for Gwenn. I try to send them her way everyday. And that picture is one of my favorites of us, it really tells a story. I definitely lean on my partner when I need to, and she is always there to support me.

Love ya babe!

Positively Yours,
Shawn
