Happy Birthday to Gwenn (and AIDS Walk Photos)

Happy Birthday to Gwenn!

The love of my life. Sorry we couldn’t take recycling today, I know you really wanted to but I’ll make it up to ya. And the new pink hair is incredibly awesome, just like you.

I know you’re not much for these public displays of affection- so I’ll just give you a big hug today when you least expect. Or maybe tomorrow, when we’re recycling the cardboard.

Positively Yours,

Shawn
