The HIV League Stories - Robert

May 31, 2016 By The HIV League

Our latest Story is up! This video is the personal story of Robert Suttle, an HIV-Positive member of the HIV Community. Robert is a victim of HIV criminalization and is the Assistant Director of The SERO Project. He speaks about his experience being criminalized because of his status and how he uses his inspiring story in the advocacy work he does.

Take a look, and check out the rest of our Stories at www.hivleague.org/stories!
