

IAS Conference Content Now Available to All

Everyone can now view recorded sessions from the International AIDS Society Conference on HIV Science in July.

September 21, 2025 By [International AIDS Society](#)

IAS – [the International AIDS Society](#) – is excited to announce that everyone can now access all session recordings from IAS 2025, [the 13th IAS Conference on HIV Science](#).

Held July 13-17 in Rwanda, IAS 2025 marked a [pivotal moment](#), showcasing scientific breakthroughs amid a funding crisis that threatens decades of progress. On African soil, we confronted challenges, celebrated science, and began charting a united, resilient path forward.

Browse hundreds of hours of content, including e-posters, presentations on breaking science and expert discussions on the global HIV response.
