Kenneth Cole “Awearness” Blog...

December 10, 2009 By Regan Hofmann

I did this for World AIDS Day...please check it out.

Also for World AIDS Day, I wrote an entry for Kenneth Cole’s ’Awearness’ blog.

Here’s an excerpt:

“I have come to understand that HIV isn’t something that happens only to certain kinds of people who engage in certain types of behavior. The truth is, HIV can happen to anyone. And anyone who ever has unprotected sex is at risk for contracting HIV.”
