

Labtest Contest VI: Labby New Year!

January 5, 2012 By [Shawn Decker](#)

Happy New Year!

What better way to splash back into blogging in the new year than with a Labtest Contest? If you're new here, the rules are below. The concept is simple, every 4-6 months I have to get blood drawn to see how my immune system is doing. Instead of keeping that fun to myself, I open it up to the public and offer a prize to whoever guesses the closest. The price this time?

Let me tell ya via video!

Here's the Roll Call of Champions and last 5 t-cell counts:

CURRENT CHAMPION: Justin Starkenburg (guess: 570 actual count: 579)

Previous Champions...

March-July 2010: Charles Oliff (**guess: 567 actual count: 565**)

July-December 2010: Aimee Lee (**guess: 516 actual: 511**)

December 2010- March 2011: "Satan" (guess: 666 actual: 662)

March-July 2011: **Sharon Paul (guess: 520 actual: 508)**

Official Rules

1. You have to post your guess (between 400 and 700 t-cells) on my [Poz blog Comments section](#)
2. Relatives are disqualified (only because that makes this seem official)
3. Closest guess wins- no Price is Right logic applies.
4. One vote/guess per person.
5. Deadline is Tuesday, January 10, THURSDAY, JANUARY 12 2012 at 11:59 EST.
