

Last Chance to Help Me Smile Again

March 16, 2014 By [David Capogna](#)

There's only 5 days left to raise money for my extensive dental work. Any contribution is greatly appreciated. This is AIDS related by the way. I thank POZ for letting me post this. Please, at least, watch my video to see what AZT and D4T has done to my liver. Thankfully those drugs have been long ago replaced. I wish peace and happiness to all my positive brothers and sisters. Keep fighting the stigma and live your life to the fullest. I extend so much gratitude to all those that have contributed already.
