

Last Day to Guess in the Labtest Contest

January 12, 2012 By [Shawn Decker](#)

It's your last chance to win a wonderful prize by being the closest guess to my actual t-cell count! Win either a signed copy of My Pet Virus, a Synthetic Division CD or an iced mocha. [Just post your guess in the Comments section of this blog post](#), and make sure you read the Rules. Just for reading my blog you get this beautiful photograph I took of tubes waiting patiently to be filled with blood in the lab.

Positively Yours,
Shawn
