

McCain Wins... and it's My Fault!

October 24, 2008 By [Peter Staley](#)

I just got a clever email and video from MoveOn.org. It's a fake (and very funny) news report about McCain winning the election by one vote, and the press deciding that Peter Staley was to blame because I didn't vote.

See it here:

If you've got friends who are lazy voters -- the ones that need a little extra push to get them to the polls - you can customize this video and email it to them. Just use [this link](#) to get started.

Every little bit helps. Don't let this nightmare story become reality!
