MegaPython VS. Gatoroid- Tonite!

January 29, 2011 By Shawn Decker

It can't be all AIDS, or all me, all the time on this blog. Sometimes a light- even if it's a pin light- must be shown on other things... and tonight, on the SyFy Network, something magical is happening. 1980's teen pop icons Tiffany and Debbie Gibson are starring in... MegaPython VS. Gatoroid!

Don't believe me? Here's a sneak peak of the icons wrestling in the movie.

Oh yeah!

Gwenn doesn't know it yet, but this is what we are doing tonight...

Positively Yours,
Shawn
