

Midway Point in Tour

May 15, 2010 By [Shawn Decker](#)

I'm seriously backlogged right now, but am having a wonderful time at the halfway point of the Bella Morte & Synthetic Division tour. We've shared the stage with some wonderful people, and Josh and I have had some adventures on the road. It's just been the coolest thing, and I'm glad that everything came together and I actually did something I've been wanting to for a long.

Promise to be back soon, just wanted to let everyone know I'm safe and sound and having (one of the) times of my life. More goofy vlogs coming soon.

Positively Yours,
Shawn
