Miss America Interview in Poz

March 31, 2010 By Shawn Decker

I **had the privilege of interviewing Caressa Cameron, Miss America, for the new issue of Poz magazine, which is now on their site for you to enjoy… so go, enjoy! Wait, need a teaser?**

Well, I'm good at teasing, so here you go. One of the questions I asked Miss America was whether or not she'd ever been banned from using the word "condom" when going to talk about HIV/AIDS:

"Absolutely. They would send me a list of what I could and could not say. I would have to then find the "right words" that would get the message of what I had to say across without actually saying the no-no words.." - *read the rest of Caressa's interview here!*

Positively Yours,
Shawn
