

MOCHA MADNESS: The Official HD Movie Embed

September 19, 2011 By [Shawn Decker](#)

Alright, short and sweet. This is a 22-minute Blair Witch Project-esque movie that Josh and I made while on the road. Had fun doing it! It has a shocking ending, but one shocking aspect I noticed when editing the footage is that I never once state my HIV status.

Maybe in the sequel?

Positively Yours,
Shawn
