

My Life In 60 Seconds

March 12, 2013 By [Shawn Decker](#)

A little over a week ago, Gwenn saw a post on Twitter about a contest put on by the AIDS Healthcare Foundation and the Vail Film Festival. You had to make a creative video about how HIV has impacted you, and also use the phrase “keep the promise on AIDS”, which is a nod to AHF’s film, “Keep the Promise: The Global Fight Against AIDS ”. (Debuting at the Vail Film Festival at the end of the month.)

Oh, and your entry had to be 30 or 60 seconds. So, here was my winning entry. This time, I drew my life in chalk. To prove I’m multi-faceted.

Positively Yours,
Shawn
