

Obama vs. McCain on HIV/AIDS

October 24, 2008 By [Peter Staley](#)

Sean Strub, founder of POZ Magazine, has some great quotes in [this article](#) in The Washington Blade.

Strub said McCain's continued referencing of Sen. Tom Coburn (R-Okla.) as his go-to guy on AIDS should send chills down the spine of everyone with HIV as well as those who care about us.

If you are HIV positive, McCain/Palin should scare you deeply. If they don't, you are not paying attention.
