

# One Year Later

One year ago today, I wrote my [first entry](#) as a POZ blogger. I had no idea what I was really getting myself into (and I still don't, not really). What I do know is that it's been a blast.

Getting to share my thoughts with people living with and affected by HIV/AIDS has been rewarding, but getting feedback on those thoughts has been inspiring.

Here are my top 10 favorite posts from the last 12 months:

[A Cause for Celebration](#)

[Virtuous Vampires](#)

[The HIV Criminalization Debate](#)

[The POZ/DDF Ratio](#)

[Deconstructing DDF](#)

[A Sort of Ghost](#)

[Do Ask, Do Tell](#)

[Rest in Peace, Michael](#)

[The Shadow of Death](#)

[Talk of the Nation](#)

I look forward to another year!
