

Online Interview with POZIAM Radio, Shows This Thurs & Fri!

July 3, 2012 By [Shawn Decker](#)

I had the privilege of speaking with fellow Dab The AIDS Bear Ambassadors Robert Breining and Maria Mejia on Sunday. Check it out below:

If that embed is reading funny for ya, just got to Robert's website [here](#) After I spoke with Robert and Maria, I kicked back and was waiting for my friends Josh and Jenny to arrive in Charlottesville. Then a text came in from Josh that his flight from DC to Charlottesville was delayed... then a phone call came in. Their flight was cancelled. Since Dulles Airport is less than two hours away, Gwenn and I sprang into action and drove to pick them up. I'm thinking the delays were due to the massive power outages that hit quite a few states over the weekend.

Last year, when Josh and I played some Synthetic Division shows on the East Coast, we were literally dodging Hurricane Irene. Even though we only play a handful of gigs a year, we seem to attract natural disasters. I'm just thankful that they made their flight to DC, and that our home wasn't one of the thousands that is without power in Virginia.

Hope this update finds everyone well and beating the heat.

Positively Yours,
Shawn
