# Out of Harm’s Way: Alternatives to Public Injection in New York

September 10, 2015 By Robin Hood Tax Campaign

VOCAL-NY builds power among people affected by HIV/AIDS, drug use and mass incarceration to create healthy and just communities. This originally appeared on their Blog

SAVE THE DATE! September 30 at 6pm there will be a major town hall on supervised injection facilities (SIFs) in NYC! SIFs are an essential part of harm reduction and a scientifically proven intervention to reduce overdose deaths, help people access care including drug treatment, and prevent HIV and hepatitis infections. Join us on the 30th and stay tuned for more info on the event and the SIF NYC campaign!
