Pepsi Refresh Project: Vote For Us!

September 1, 2010 By Shawn Decker

The Pepsi Refresh Project started this year as a way for people to make a difference in their communities. The idea is simple- come up with an idea, get the most votes for idea, then do your idea… well, Gwenn and I applied, and we made it to the voting phase!

Our idea? To educate 50,000 teenagers about sexual health in all 50 states. We have one year to accomplish this and are determined to do so, but the journey doesn't even begin unless we get your vote. You can vote once everyday from September 1 until September September 30.

Please share this, we need all the votes we can get!

Thank you for the support, please wish us luck with a vote.

Positively Yours,

Shawn
