

Please Show Up

December 17, 2008 By [Peter Staley](#)

Stonewall 2.0 (the post-Prop 8 movement) continues this Saturday night with candlelight vigils at commercial centers in various cities around the country (find your local demo [here](#)).

I feel like a putz, but I'll be out of town this weekend, so I'll miss NYC's vigil. It's actually a march, starting outside Macy's at Herald Square at 6pm, and ending with a 7pm rally in Times Square (kudos to the planners for picking this very smart, high-profile route).

Here's a teaser...
