Positoid of the Day: Jack Mackenroth

March 1, 2010 By Shawn Decker

This is the first Positoid of the Day Award. I won't be able to do this every day, just whenever someone with HIV does something inspiring or magical or both. Today's Positoid of the Day is Poz coverboy Jack Mackenroth, who has more than earned the honor with this Flashdance-inspired ride through a NYC subway.

Enjoy!
