Postcards From the Edge 2011

January 11, 2011 By Oriol R. Gutierrez Jr.

Visual AIDS held its 13th annual “Postcards From the Edge” fundraiser. The preview party was Friday, Jan. 7. The benefit sale was on Saturday, Jan. 8, and Sunday, Jan. 9. I couldn’t make the preview, but I did attend on Sunday.

As their promotional material says: “Over 1,500 original postcard-sized artworks by established and emerging artists.” All proceeds benefited Visual AIDS, which supports HIV-positive artists and preserves AIDS-inspired art.

There were so many interesting pieces that it was difficult to choose, but I eventually picked up a few items. One of them is sitting in my office at work. For such a small thing, it gives me such a big feeling. All in a day’s work for AIDS-inspired art.
