POZ Personals Valentine’s Day Premium Special

February 14 is around the corner! To help you find the perfect match, we are offering a new promotion.

January 27, 2022 By POZ Personals

POZ Personals is the most popular online destination for HIV-positive dating. Launched in 2005, the site features dozens of profile fields to help you put your best foot forward and offers simple and advanced search features to help narrow down the dating pool to whatever works for you.

Over the years we’ve helped all kinds of people find love, like these three we highlighted in another POZ Personals blog post.

As February 14 is around the corner, we want to help jump start your profile on POZ Personals to help you find the perfect match. To do it, we are offering a special $2.14 three-month premium promotion. Click “Upgrade Premium” in the right-hand menu under the MANAGE PROFILE header. Select the three-month term, enter the code VDAY214 and hit APPLY. The code expires on February 28, 2022.

After you upgrade, you can enjoy all the premium features including:

- Save your favorite searches for one-click reuse every time you log in.
- New member alert service. Get daily emails with matches to your saved searches.
- Control who will find you in searches with Search Blocker.
- No need to complete Captchas to send messages and flirts.
- See all footprints on your account.

- Your listing will appear at the top of all appropriate searches.
- Send unlimited messages and flirts.
- Add unlimited public and private photos.
- Custom search options like searching premium accounts only or searching online users only.
- Custom sort options like seeing all users who have logged in over the past 24 hours.
- Receive messages from premium accounts only.
