

# Rickrolling Victim Speaks Out

January 11, 2009 By [Shawn Decker](#)

---

I felt bad about Rickrolling my friend and then exploiting his pain as Blog fodder. So I decided to interview Irvin, so he could lend his voice and face to pain of the the millions upon millions of RVs (Rickroll Victim) out there.

## **When I Rickrolled you, what were you doing?**

I just sat down to eat lunch.

## **How did you feel?**

A bit confused, I was still waiting for the stroller safety video. Then a smile spread across my face.

## **Had you ever been Rickrolled before?**

Never, I didn't know about "Rickrolling" before.

## **Would you ever consider Rickrolling someone? Rickstrolling?**

Yes, maybe you. I think I'll have to wait at least a couple years to catch you by surprise, then bam, you've been Rickrolled Bitch.

## **Don't hate the player, hate the game. Thank you for your time, Irvin.**

I really wanted to get behind Irvin as "the Face of Rickrolling", I think his program would be a big

hit on college campuses. But he never responded to my request for a black and white photo of himself not smiling.

Maybe he's not ready. Or maybe the above was all Irvin had to give. If that's the case, I hope that we all understand Rickrolling, and the consequences, a little bit better. I know I do.

Positively Yours,

Shawn
