

Ripley's You Better Believe It

April 28, 2014 By [Shawn Decker](#)

 Vaughn Ripley is a man on a mission. With over 30 years of living with HIV under his bike shorts, the avid cyclist, dad and author of [Survivor: One Man's Battle With HIV, Hemophilia and Hepatitis C](#) is ready to tackle his next goal: be the first openly HIV positive man to grace the cover of Men's Health Magazine.

The cool part about all of this? We can help make it happen. [Go here to vote for Vaughn](#). He got a retweet on Twitter from William Shatner, but if he's going to get beamed up to the cover he's going to need your help, too!

Positively Yours,
Shawn
