

Scary Real-Life Halloween Story

October 31, 2008 By [Shawn Decker](#)

[From the Canadian Press: Saskatchewan investigating after hospital found to be reusing syringes.](#)

It's a terrifying article, but don't make the mistake I did when first reading this. I thought it said "Sasquatch investigating after hospital..." Come to think of it, any hospital that reuses syringes should have to answer to this guy.

Positively Yours,

ArrrrrAAARGHAGH!
