

Sex Education Now

March 3, 2011 By [Shawn Decker](#)

Here's a great photo from a town hall meeting in Boston last month. Students voiced their opinion on the lack of sex education in Boston area schools, where teenage pregnancy is the number 1 reason for high school dropout rates. An ounce of prevention... a pound of common sense. And an acknowledgment of our biological urgings as well as our humanity.

That's sex education in a nutshell, right?

Shawn
