

Shawn & Gwenn Vlog, Starting Monday

October 6, 2012 By [Shawn Decker](#)

Starting on Monday, Gwenn and I will be launching a twice-weekly vlog, posting new videos on Mondays and Thursdays. Why? Because we want to share what it is like being in a sero-diverse relationship, as well as opening up a discussion about sexual health that is appropriate for all age groups with a mild emphasis on teenagers.

See, a lot of young people are turning to YouTube for sex education. High schools and junior high schools are not rushing to invite us into their classrooms, so we are taking our message directly to those who need it most. As someone living with HIV, I also want to provide hope to those living with HIV who are worried about just where they fit on the dating scene.

So wish us luck and share these videos with people in your life who might benefit from the information.

Until Monday...

Positively Yours,
Shawn
