June 2, 2015 By Rae Lewis-Thornton

I'm living my dream!! ***Tea With Rae: Wellness For The Mind, Body and Soul*** is coming! I'm in the process of developing a private label of speciality teas blended with the finest African Teas. The crafting of each tea will be closely supervised by me to bring you the best tea experience. Follow @teawithrae on Instagram and Twitter to be the first on the launch of Tea With Rae. I'm so excited!
