The Lion Sleeps Tonight: Ted Kennedy 1932-2009

August 26, 2009 By Shawn Decker

People with disabilities have lost a hero in the Senate with the passing of Ted Kennedy. On Twitter, this tribute was displayed by (and presumably created by) someone who goes by Antivellum Zero.

I couldn't agree more. Thanks for looking out for the little- and sick- guy, Mr. Kennedy. Your compassion will be sorely missed.

Positively Yours,

Shawn
