The Reveal of Me as “LemonAIDS”

October 5, 2009 By Shawn Decker

This past weekend in DC was incredible. I had the privilege to do a *My Pet Virus* reading at the Committee of Ten Thousand’s 20 Year Survivors on Friday evening, then got to walk with Team Supersnack in the AIDS Walk in DC, raising over $34,000 with our group.

And I got to do the latter looking like this!

I will be writing a blog about the experiences in DC very soon- including video of me in the LemonAIDS suit accepting the Courage Award- but for now I am going to get some sleep. Because it's not easy sweating your balls off to kick AIDS in the balls.

Positively Yours,
Shawn
