

The Revelation

August 29, 2010 By [Richard Ferri, PhD, ANP](#)

My time may be limited but not my talent. I have been silent and hoping things would change. I am the “thing” that needs to change. So today I had my “ah-ha” revelation. Now it is my turn to kick HIV in the ass and some of the fools with it. I will no longer be court jester to the fucking lazy. Game over. Now it is my turn.
