

Bad Blood: This Month's Issue of POZ Magazine

November 24, 2010 By [Shawn Decker](#)

This month's issue of **POZ Magazine** is now online- in it [I had the pleasure of interviewing Marilyn Ness](#) about her powerful and enlightening documentary, Bad Blood, which details the treatment history of people with hemophilia and how HIV impacted the community in the 1980's and beyond. The documentary is incredible, and I hope after reading the interview with the filmmaker you'll consider going to the official Bad Blood site to learn more about Marilyn's film.

Positively Yours,
Shawn
