Two More Vlogs

May 29, 2010 By Shawn Decker

These music vlogs have no HIV educational merit whatsoever- they are really just goofy but give a sense of how much fun I had on the road with Synthetic Division and Bella Morte. A couple more vlogs are forthcoming- I've had a lazy week outside of a few talks at Charlottesville High School (what's up, Ms. V's English class?).

Recharging the batteries, back at home, back on my HIV meds.

Oh, if you only have the patience to watch one video, watch the top one. Much like Clown Porn, I'm not sure if it's enjoyable to anyone who isn't in it.

This one is me and Josh in a car bored out of our skulls.

Positively Yours,
Shawn
