

Visiting the AIDS Quilt (Video)

July 24, 2012 By [Shawn Decker](#)

Of everything available at this years International AIDS Conference, nothing quite compares with a visit to the AIDS Quilt. I heard that there was a great effort to get the AIDS Quilt on display in DC. It would have a great injustice to all who have passed and all who have honored their loved ones with a panel if it had not been there.

Here's a video I shot on the Mall.
