VLOG: 25 Years With HIV

October 18, 2012 By Shawn Decker

Our 4th vlog- it's a milestone I've addressed here on the blog. The 25 year "anniversary" is what inspired me to make an album this year... it's partly responsible for starting a vlog, too. I'm happy to be here after all these years and I want to keep doing my best to educate people about HIV today while sharing the history of this epidemic as well.

Positively Yours,
Shawn
