VLOG: AIDS Is Going To Lose To Love (Our Video)

November 1, 2012 By Shawn Decker

Here is the link to our short video about why Gwenn and I think AIDS is going to lose. The video was made for a contest by Chevron AIDS: "AIDS is Going to Lose to Love".

Gwenn found out about this contest last week when we were coming home from Northampton. We spent three days getting it together before the contest deadline. Wish us luck, and we hope you enjoy the video.

Positively Yours,
Shawn
