

VLOG: Draw My Life

February 26, 2013 By [Shawn Decker](#)

Here's our latest video- it's a Draw My Life video. A lot of YouTube Vloggers are doing them, and Gwenn thought my life would work well in the context. And I do like to draw, so I gave it a shot, thinking that a Draw My Life with a little story about HIV floating around out there might educate some folks... plus, it was fun to do. A lot of work, but totally worth it.

Regarding our last video and the subject of How To Survive A Plague... was bummed that they didn't win for Best Documentary. I haven't seen the others that were nominated, but I'm glad we have the time capsule that is this very powerful movie.

Hope your week has started off on the right track.

Positively Yours,
Shawn
