

# VLOG: Gwenn Gets Tested For HIV

June 25, 2013 By [Shawn Decker](#)

**This Thursday is National HIV Testing Day. Gwenn had the idea of getting herself tested** for this week's video to honor the occasion and to promote knowing your status. With the help of [AIDS Services Group](#) here in Charlottesville, she did just that. Big thanks to **Jason Elliott** to being a part of this! If you've been putting off an HIV test or have never been tested before, I hope you consider doing it. To find a testing center near you [click here](#).

Positively Yours,
