# VOTE!

Federal Express arrived at my door here in Sweden this morning with a very special package - my official U.S. absentee ballot. I?ve always taken voting seriously, but the ballot that I received and mailed back to the Board of Elections in New York today held special significance for me, not only as an expatriate American, but as an American living with HIV. As you?ve read in the blogs and forums here on Poz/Aidsmeds.com, there has never been an election in our lifetimes that was more important to us all. I?ve been a Obama supporter from day one, and if you care about the future of health care in the U.S., you should be as well. Whoever you are, wherever you are - get out there and VOTE FOR OBAMA!
