We Attempt the Condom Challenge

April 20, 2013 By Shawn Decker

We just couldn't wait until Tuesday to post our latest video... if you haven't heard about the condom challenge, it's a new trend that's taken off (for better or worse) where people post videos of themselves inserting a condom into their nose and then pulling that same condom out through their mouth.

Gwenn and I discuss this- and attempt it (wink wink)- in our new video. Enjoy!

Positively Yours,
Shawn
