I'm in the process of doing something I've never done before... I'm growing a Freddie Mercury moustache.

I'm revealing the moustache on World AIDS Day, December 1. Then, with your help **we will, WE WILL** rock AIDS together for the [MTV Staying Alive Foundation](#). Because on December 4, 5 and 6 donations to this organization are doubled! So a generous donation of \$10 will count as \$20. (Don't worry, I'm not going to insult you by giving any more examples.)

I'm proud to be a board member for MTV Staying Alive- they support incredible work around the world and make a true difference in peoples' lives by [funding community members to address the specific HIV needs where they live](#). And a little money goes a long way.

I'll have details on how you can help very soon (UPDATE: now posted at top and bottom of this post), and will be posting growth progress. Right now it's a bit patchy, dawg. But with your good vibes I'm sure I'll be able to grow a stache that Freddie would endorse. And with your help, we will grow a moustache that harnesses the same kind of power that Freddie used to rock audiences.

We Are the Champions,  
Shawn
