This post originally appeared on and can be viewed in its entirety at The Well Project.

The eighth in our The Well Project Leadership Exchange series features a conversation between The Well Project Community Advisory Board co-chair and HIV advocate/influencer, Porchia Dees and Gilead Science's Principal Medical Scientist and WRI member Gina Brown, MD. Join us as these inspirational leaders talk about pregnancy and HIV and the ways that treatment and care have and continue to evolve.

The Well Project Leadership Exchange is a new series connecting thoughtleaders in the HIV community to explore one another's work, activism, and personal experiences. This series will bring together cis and trans women and others who uplift women's voices across the HIV community in dialogue. Please join us for this remarkable series as we look to find new ways to connect leaders and learn from one another during these unusual and challenging times.
