

Whitman-Walker Clinic's Gala on Friday

April 21, 2010 By [Shawn Decker](#)

The Whitman-Walker Clinic's 17th Annual Spring Gala is this Friday in DC, and it's called the Masquerade on the Mall. [Tickets and more information are available here.](#)

At the event [Poz magazine](#) and Miss America, [Caressa Cameron](#) are being honored with super-positoid extraordinaire [Jack Mackenroth](#) hosting the event... if you can swing it, you should bring to the Masquerade!

I'm pretty excited about Friday night. [Gwenn and I](#) will be joining the festivities, helping to raise some money for one of the most positoid-friendly facilities in the world. And yes, that's me behind the devil mask- I plan to get my money's worth out of it by spooking friends, using it for playing cards and for a Halloween and Thanksgiving costumes.

So, if you can, come out and support the fabulous Whitman-Walker Clinic, who are doing their best to stem the tide in Washington D.C., an area that needs all the help it can get in treating people with HIV and preventing new infections. If you can help out and you don't, well... you may be getting a visit in the middle of the night from...

Positively Yours,
El Diablood
