“Wii Fit as Long as Long as I Live” music video

Got this on a Comment, and it couldn’t have come at a more critical time. Enjoy, it’s “Wii Fit as Long as I Live” by the Wicked Celtics.

Wii karma caught up with me. Tonight I bumbled on a balance exercise (Walk in place, but walk normally- what?!), and almost walked sideways off the board since I don’t normally walk in place. Well, the Wii Gods punished me good: my Wii Fit Age is 49!

I doubted my Mii. But this song reminded me what it’s all about.

Positively Yours,

Shawn
