Win Lauren Hoffman’s New CD

July 9, 2010 By Shawn Decker

I have the first item for the eventual winner of the Labtest Contest. While having coffee with yesterday’s NPR Song of the Day songstress, Lauren Hoffman, I asked if she’d donate a copy of her new album, *Interplanetary Traveler*, to the winner.

She said yes!

So the winner is in for a real treat. If you went to my coffee blog and wondered what the clue was, it was right there on the July 5 photo: a picture of one of the stars of Lauren’s music video for “Interplanetary Traveler” that I shot last fall. Here’s what I wrote on Decker’s Daily:

> **July 5, 2010** - At the coffee shop, I ran into one of the stars of the Interplanetary Traveler music video I shot for Lauren Hoffman. We discussed the video, shot last fall, and I gave him an update on what Lauren and his co-star, Evie, were up to these days. Then, to his surprise, they dropped by and had coffee with us! (Well, Evie had milk, which we call a “Bebecinno”) See the video at: http://forlauren.com it is and will always be one of my proudest artistic achievements.

> Here’s the music video for your listening and viewing pleasure. For those who don’t know, Evie, referenced above, is Lauren’s daughter and Gwenn and I’s goddaughter. Evie makes a star turn in the video. Enjoy, and get those guesses in before midnight on Monday for your chance to win Lauren’s CD!
